

We're moving!

Effective June 30, 2020, ENWIN and Windsor Utilities Commission business offices will be relocated to the utility's Operations Centre at 4545 Rhodes Drive.

We remind customers that, due to the COVID-19 outbreak, all ENWIN locations are currently closed to the public, and we expect this to continue as long as there is a need for physical distancing.

Our Customer Service Department is available to help customers online or by phone. Customers can access online self-service options by joining myENWIN at www.enwin.com. To reach a Customer Service Representative, call 519-255-2727, Monday to Friday from 8:30 a.m. to 4:30 p.m., or email info@enwin.com.
